

IMPORTANT ANNOUNCEMENT

The Township is seeking to assist homes in need of repair

In September, the Township of Pittsgrove will once again be applying to the New Jersey Department of Community Affairs for Small Cities Community Development Block Grant funds to help more Pittsgrove homeowners with their needed home repairs. **Eligible homeowners can receive up to an anticipated \$18,000 in repairs or replacements of sub-standard major home systems** such as roof, electric, plumbing, heating, foundation, windows, lead based paint hazard remediation and more.

The Township of Pittsgrove has retained Community Grants, Planning & Housing, LLC, (CGP&H) to prepare the application to the New Jersey Department of Community Affairs. **For Pittsgrove to qualify for these federal funds, it is imperative to demonstrate eligible homeowners' interest and housing repair needs.**

If your home needs these types of improvements, please visit CGP&H's website at hip.cgph.net for more program information, including income limits, homeowner testimonials and to complete an easy online preliminary application ASAP. This will get you on the program waiting list which is first come-first served. If you have limited internet access, please call CGP&H at 609-642-4992 or 609-664-2783. Now is the time to take advantage of this wonderful opportunity to make needed home repairs and the Township looks forward to you contacting CGP&H!! From previous funding in recent years, eight homeowners had construction completed and one house is currently in the construction phase.

Financial assistance for the housing rehabilitation program is made possible by a grant from the N.J. Dept. of Community Affairs, Division of Housing and Community Resources, Small Cities Community Development Block Grant Program, Governor Phil Murphy and Department of Community Affairs Commissioner Sheila Oliver. Funding for the State's CDBG program is provided by a grant from the U.S. Dept. of Housing & Urban Development, State Community Development Block Grant Program.
